GOOD ROADS ASSOCIATION.

Rural Letter Carriers Meet—Good Roads Discussed—Goods Roads Association Formed.

The rural letter carriers held a meeting in the old court house yesterday with Mr. T. E. Wicker presiding.

The association was addressed on the subject of good roads by Prof. W. K. Sligh, T. E. Wicker, R. T. C. Hunter, G. G. Sale, W. G. Peterson and C. T. Wyche.

After the adjournment of the letter carriers a county good roads association was formed with W. K. Sligh as president and W. G. Peterson secretary. The president was authorized to appoint a vice-president for each township.

The object is to agitate the question of good roads and create a sentiment strong enough to secure the spending of some money for the purpose. Without money no roads will ever be built.

But the sentiment must be created and there is good work for the organization to do.

CENTRAL METHODIST CHURCH.

Rev. J. W. Wolling, D. D., Pastor.

Sunday morning was in the congregation of Central a grand beginning for the work of the fall season. Some of the Methodist families are still absent but even so the attendance was large and all the services interesting. Rev. J. Matthew Henry, formerly a member of this church, preached an impressive and instructive sermon, and at the close of the service quite a reception was tendered him by the friends of former days and very many others. This was the closing service for Miss Lucy Epps who leaves this week for training school in Nashville, Tenn., and many gave her a handshake of farewell wishing her a sincere Godspeed.

Every officer of the church was present, and Mrs. Burr Martin with a full choir took charge of the singing.

At the Sunday school there were about 150 present, but by actual count it was found that about half the regular scholars were still absent. At the close Dr. Wolling gave a brief account of his visit to the celebrated Wannamaker Sunday school in Philadelphia where he was the Sunday before. In that school there is an attendance of over 2,000 scholars and Sunday school workers. And thus closed the first Sunday after the vacation season.

Chicora College.

Chicora College opens its next session on Sept. 17th. Everything in connection with the buildings, is about in readiness for the return of the pupils. During the summer many small improvements have been made, which add greatly to the beauty and comfort of the buildings. The interior is attractive as well as substantial. The reception halls have been finished in hardwood, and the walls beautifully papered. The parlors, offices and infirmary have all been overhauled and finished in an elegant and attractive paper and ivory enamel paint. An additional furnace is being added to the heating plant, and the athletic courts improved.

The outlook for the approaching session, is the most encouraging in the history of the institution. The evidence of the popularity of Chicora is seen in the very large unprecedented number of new applications. There have been very nearly, if not fully, enough new applicants to fill the dormitories. The college authorities have been compelled to rent additional houses for the accommodation of the pupils. The prospect at present is, that the number of boarding pupils will exceed that of last year, by fully one third to one half. Many requests for catalogues have come from distant States, and the future of the college is exceedingly bright. The great need of the present, is additional dormitory room.

The faculty will begin to return next week. A number of the teachers spent the summer at the various universities of the country, studying along their special lines. The music department will be stronger than ever. The faculty of last year will be with the college again, and will be strengthened by the addition of Prof. Berghauer, who is accomplished in both piano and voice.

The college expects to open on a standard of twelve units, which is as high as any institution in the State. Chicora is now certainly offering the very best advantages in higher Christian education, and its future is assured.

An exceptionally large day-patronage is expected, as there have been many applications and inquiries. It is the purpose of the president, S. C. Byrd, and his associates to make the institution a blessing to the State.

A married man thinks he could have a lot of money had he remained a bachelor, but he couldn't.

SPLENDID LYCEUM COURSE.

Some of the Attractions for the Winter—Everybody Should Secure Season Tickets.

We take this opportunity to inform the Newberry people of the splendid Lyceum Course the committee has chosen for the coming season. After extended correspondence and conferences with men of four lecture bureaus we have been able, by taking some attraction on "off dates," to get an excellent course at a very low price.

The first attraction is The Edwin R. Weeks Concert company and will appear Oct. 10. The members of this company are all artists and have played many return engagements on the large courses throughout the country. This attraction will consist of operettes, parodies, impersonations, vocal solos, recitations, medleys, comedies, violin solos, piano solos, monologues, etc.

The next number is Dean Southwick who is at the head of the greatest school of oratory in the world and considered by many to be the greatest interpreter of Shakespeare on the platform. He will appear in November.

The third number is Hon. Joseph G. Camp, "The Orator of the South," who will lecture on "Truth and Shams," or "The American King," in December.

The fourth number which is the star attraction of the season is The Royal Hungarian Orchestra and will appear the last of January. We were able to get this number only because it had an "off date." It won the first prize medal at the famous Columbian Exposition and is one of King Edward's favorites. The attraction is well worth the price of a season ticket.

Next is Hon. Lou J. Beauchamp. "The man who laughs the truth into the hearts of the people," who will appear in March. He has many subjects, but we recommend either "Take the Sunny Side," or "The Age of the Young Man."

We desire to thank the Newberry people for their patronage the only thing which made the lyceum course of last year successful, and we earnestly ask for your interest and co-operation in order that the course for this season may be successful both financially and educationally. The course is of the highest character. Season tickets are the usual price \$2, except this year we are offering a double season ticket for \$3.50. Remember the first attraction, Oct. 10.

R. Z. Thomas,
Chairman of Committee.

Death of Mr. T. Ben Leitzsey.

Mr. T. Ben Leitzsey died suddenly at his home in No. 2 township on Saturday morning at 10.30 o'clock.

He had been in bad health for some time. Saturday morning he had walked out into the yard and was sitting on a piece of wood looking at the gine which had just been started and fell over and expired without speaking. He was 64 years old, and a Confederate soldier. He was a good citizen and the bereaved family have the sympathy of a large circle of friends.

At the age of 17 on the 27th day of August, 1861, Mr. Leitzsey enlisted as a volunteer in the Confederate army in Company B, Rhett Guards, 1st South Carolina Volunteers, Maxy Gregg's Regiment, Captain Whitfield Walker.

He was promoted to corporal and sergeant for gallantry upon the battlefield. He fought with the colors of the regiment, being put there by the colonel. This company during the four years was commanded by six different captains. When the company surrendered at Appomattox Mr. Leitzsey was the only commissioned or non-commissioned officer present. He returned home as many others and started life anew and by hard work and honesty of purpose accumulated a competency.

He was keeper of the county home for twelve years and was a capable and efficient officer.

Burial was had at Rosemont Saturday afternoon the funeral being conducted by the Rev. Ira S. Caldwell assisted by Rev. Geo. A. Wright.
